

HP Professional Glossy Laser Paper produces business documents with a high quality look and feel. Create standout glossy prints and rely on HP for superior, consistent performance.

Print presentations, proposals and handouts.

Print professional business documents without having to leave the office. This thick, heavy paper delivers crisp text and sharp vibrant colour images.

HP Professional Glossy Laser Paper features a smooth, glossy finish that brings rich colour and a high quality look to your documents. Get optimal performance on HP Color LaserJet printers and compatible with most other laser printers and copiers.

This sturdy paper feels significantly heavier, bulkier and more substantial than other premium office papers. Make an immediate impression thanks to the ultra-smooth surface and high quality feel – people notice it as soon as they touch it.
